Re: *United States v. Michael Mendlowitz*, S2 17-cr-0248 (VSB)

Dear Judge Broderick:

On behalf of Defendant Michael Mendlowitz, we write concerning additional redactions we propose to make to Mr. Mendlowitz's Sentencing Memo (Dkt. 215), Mr. Mendlowitz's letter to the Court (Dkt. 215, Ex. A), and certain letters in support included with the sentencing submission (Dkt. 215, Ex. B Vols. 1-2).

The new proposed redactions pertain to information that is sensitive to a particular member of Mr. Mendlowitz's family, who deals with mental health issues, and became extremely distressed upon learning that Mr. Mendlowitz's sentencing submission is publicly available.

Based on a discussion with Your Honor's Deputy Clerk on how to effectuate this request, we will deliver to chambers: (1) a copy of the relevant documents with additional proposed redactions highlighted, (2) the complete sentencing submission as newly redacted, and (3) a cover letter that will direct the Court's attention to the specific pages where additional redactions were made. We understand that Your Honor has available Mr. Mendlowitz's unredacted sentencing submission (which remains unchanged), but we can provide an additional copy if the Court wishes.

Your Honor's Deputy Clerk has further instructed us to attach, as exhibits to this letter, the complete sentencing submission as newly redacted. We understand that if Your Honor grants this request, that Court staff will replace the previously filed sentencing submission with the newly redacted version.

The government, through AUSA David Abramowicz, has no objection.

Hon. Vernon S. Broderick
